

# Summer Art Classes

## ART ADVENTURES

This class will explore the art of creating sculptures using a variety of objects and different techniques. Youth will use different cultural styles like Aboriginal, a colorful antique art based on aborigine's interpretation of the natural environment and Oaxacan, brightly-colored Mexican folk art sculptures of fantastical creatures. Have fun expressing your creativity while building unique structures. All necessary supplies are included. *Register by June 29.*

## PAINTING YOUR WORLD

Ready to find the artist in you? Through the use of various painting techniques, you will learn about different painting styles such as Modern (styles used from 1860 through 1970), Mondrian (a Dutch abstract painter using geometric patterns and primary colors), Impressionism (emphasizing light in its changing qualities, movement and unusual angles) and more while creating your own special piece of art. Small projects and technique drills are completed as you have fun creating paintings to take home and display. All necessary supplies are included. *Register by July 15.*
