BACARDI OAKHEART SPICED RUM

takes their traditional Bacardi Superior and blends it with Bacardi Gold, giving it the perfect mixability of Superior and the smooth finish of Gold. This gives it the perfect base for them to add their blend of spices which includes maple, cinnamon, nutmeg, honey, vanilla and caramel before being filtered. The end product is *"slightly peppery, with a noticeable rum-kick, BACARDÍ OAKHEART is a spirit with a vibrant amber hue and taste that is distinctly its own"* and with a nice smokiness lent from the double charred barrels it was mellowed in.
